

## **Gujarat Medical Services Corporation Limited**

### **Quality Environment Health and Safety Policy**

Gujarat Medical Services Corporation Limited is committed to establish, develop and strengthen the universal health coverage in the state of Gujarat by professional management at all level of organization.

Gujarat Medical Services Corporation Limited shall continually improve the operation performance, environment performance, and health and safety performance by reviewing objectives and setting targets for systematic procurement, inventory management, distribution and use of information technology.

The team and other stake holders shall strive to achieve the objectives through total participation and focus on the following actions

- Communicate and provide appropriate information to ensure that the policy is understood, implemented, maintained and available to all working under the control of the organisation.
- Prevent, minimize and safeguard interests in terms of ill health, safety, resource conservation and environmental protection.
- All the time comply with applicable environment, health and safety legal requirements and fulfil other compliance obligation.
- Develop competencies to continually incorporate best practices
- Periodically review the policy to ensure that it remains relevant and appropriate
